Dear Property Owner, Resident:

Re: 26-0036 Nutana Sanitary Sewer Project

The City of Saskatoon (City) along with **Hamm Construction** have begun sewer main and connection replacements in your area. This work will take approximately **7 months** to complete weather permitting and barring unforeseen circumstances.

Phase 1 – Stage 1 (Crew 1): Saskatchewan Crescent to north side of 12th Street East
In Progress

- Commissioning and connection of temporary water lines
- Connection replacements
- Sanitary sewer installation
- Tree removal
- Concrete restoration
- Paving

Phase 2 – Stage 2 (Crew 1): 12th Street and Dufferin Avenue Intersection
In Progress

- Commissioning and connection of temporary water lines
- Sanitary sewer installation
- Concrete restoration
- Paving

Phase 2 – Stage 1 (Crew 2): 12th Street to 10th Street East
Completed
Concrete restoration and paving will be completed on Dufferin Avenue from 11th to 12th Street with Phase 2 – Stage 2.

- Commissioning and connection of temporary water lines
- Connection replacements
- Sanitary sewer installation
- Tree removal
- Concrete restoration
- Paving

Phase 2 – Stage 2 (Crew 2): 10th Street to 8th Street
In Progress

- Commissioning and connection of temporary water lines
- Connection replacements
- Sanitary sewer installation
- Tree removal
- Concrete restoration
- Paving

Over the past two weeks:

- Sanitary sewer installation began in the intersection of 12th Street and Dufferin Avenue the week of September 21st.
- A temporary school bus zone was placed on 11th Street between Broadway Avenue and Dufferin Avenue and will be in place for the duration of the 12th Street intersection closure.
- Sanitary sewer installation continued on Lansdowne Avenue between 10th and Main Street. The Main Street and Lansdowne Avenue intersection was closed starting the week of September 14th.
- Roadway restoration work was completed on 10th Street between Dufferin Avenue and Lansdowne Avenue. **Streetlights on this block will not be operational immediately, as Saskatoon Light and Power is re-installing the light posts.**
- Concrete and Roadway restoration work began on University Drive between 13th Street and 14th Street.

Over the next two weeks:

- Roadway and concrete restoration work will be completed on University Drive from 13th Street to 14th Street.
- Sanitary sewer installation work will continue on Dufferin Avenue and 12th Street.
- Sanitary sewer installation work will continue on Lansdowne Avenue between 10th Street and 8th Street.

Throughout the project:

- Residents directly adjacent to the work are required to leave their carts as close to their normal pick-up location [without placing it in the work area] **prior** to 7:00 a.m. on the day of collection. The contractors will coordinate the pick-up of your cart; however, they will not enter private property to relocate your cart.
- If a **black or green cart** is not emptied on the schedule collections date, please contact the Customer Care Centre at 306-975-2476.
- If a **blue cart** is not emptied on the scheduled collection day, please report the missed collection to Loraas by calling 306-242-2300.
- During each phase some noise and vibration is anticipated because of this work.
- Residents within the work zone will not be able to access the road or their driveways once closures are in effect. A pedestrian detour that meets accessibility needs may be implemented to ensure individuals with mobility or accessibility concerns can safely navigate around the work site.
- Please inform residents with disabilities and older adults using their preferred method of communication so they are fully aware of any changes.
- Canada Post has advised that some mail services may be affected due to construction activity in the area. For more information and to determine if your mail services are affected property owners are required to contact Canada Post directly.

The City of Saskatoon thanks businesses and residents for their patience while this necessary work is carried out. If you have any questions, please feel free to contact our Customer Care Centre at 306-975-2476 or email us at constructionupdates@saskatoon.ca .

The next project update is scheduled for **Thursday, October 8, 2026.**

Sincerely,

Transportation and Construction Division
Construction and Design Department
City of Saskatoon
